

World Football Tracker

Join the TestFlight beta on iPhone or iPad

How to use this invite

- 1 Install TestFlight**
If you do not already have it, open the App Store and install Apple's free TestFlight app.
- 2 Scan the QR code**
Use your iPhone Camera app, then tap the TestFlight link that appears.
- 3 Accept the invitation**
Tap Accept in TestFlight, then tap Install to download World Football Tracker.
- 4 Open the app**
Try the fixtures, groups, teams, guide, Calendar, and Reminder features.

Scan to join the beta

Works with the Camera app on iPhone
